

LEADING THE WAY IN QUALITY ATTACHMENTS

Established now for twenty years, Pacific Services and Manufacturing Corporation (PSM), has been providing its customers with the highest in quality attachments the market has to offer.

Ensuring quality, PSM uses reinforcing ribs and nothing but T-1 steel in all wear areas of its top ranking slag buckets. PSM slag buckets are built to withstand the most extreme conditions for guaranteed amounts of time.

For Weight Class:100K

Call us for your Excavator, Loader, and Special Attachment needs.

**Join the growing number of PSM satisfied customers,
supported through the dealer network.**
